## Bio :

MONKEY PRESSO was founded in 2005 after the Transrepro Visual Group (2001-2005). MP started to make their own animations, graphics and video-loops and these works give them a unique, special character. Monkey Presso during their 2 years have already worked with all kind of music groups from minimal through pop to jazz, as Dave Tipper, Tiesto, Loco Dice, Fischerspooner, Modeselektor, Freestylers, Dub Pistols and more.

Monkey Presso is the official visual team of Hairy Records from 2006, and do the official band visual for Realistic Crew from 2007. MP have made commercial works so far for Coca-Cola, Bacardi, Smirnoff, Nike, Diageo, etc. There is also a new mash-up set project with fine selection of Hungarian movies. Premier was in Melkweg, Amsterdam, 2007.

Now, renamed mr.monkeypresso is working on an A/V live-act with Moog Conspiracy (Elektrotribe), media art projects with Collegium Hungaricum, Berlin, concert visuals for Rotfront Sound Sistema. In the last 2 years MP has started to work on A/V projects and Net-Vjing, so as to develop his own live vj environment including generative visuals.
