Bio

Dj since 1997, Ziloub played many styles like techno, jungle and breakbeat before met in 1999 one of the most active crew for the drumandbass scene in Paris and France : Audiovenum, which he really started to become active on this scene.

He gets recognition and multiplies bookings in Paris ('Massive' at the Rex Club, 'Frenezik' at the Triptyque and the Glaz'art, 'Flavor Of The Month' at the Batofar, 'Peace' at the Cithea, the 'Santa Crew' parties at the Nouveau Casino, and even the legendary 'I Love Jungle' gig), and in some others countries in France (Grenoble, Marseille, Caen, Cherbourg, Rouen, Bordeaux,...).

He also played around the world, like in Ireland, Poland, Switzerland and Mexico (with 2 drumandbass Tour's).

Always thirsty of new and fresh sounds, his brilliant selection never ceases to amaze the audience, and he is constantly looking for new ways to make his audience take a travel into a universe rich in colors and emotions. His dj sets gave him the opportunity to play alongside many internationals and locals drumandbass artists of this scene like Danny Byrd, Bungle, J-Majik, Elisa Do Brasil, Science, Big Red, Djam, Otis, Taiwan MC, Pitch-In, Miss Drop, FX909, Chacal 900, T-Rex, La Pieuvre, Anakyne, Kolsik, Luxy, Mousschemist, DJ Nem, MC Runigga, Francky Brown, Monolythe, Mama Lü, Lord Bitum...

2004, he decided to found his own webradio and website (Beatbreakerz. com) to promote drum and bass in France as well as all over the world. He organised and hosted severous live streams with many drum and bass artists from France and others countries.

Since 2006, he's made collabs with Miss Drop, a highly-skilled vocalist with a soulful voice, and shared the stage with her more and more, in France as well as abroad. The collaboration opened up new horizons, with funky, jazzy mixes that were paired with a deep and powerful bass!
